

# DURATION™ SERIES SHINGLES

## Duration™ Series shingles with SureNail® Technology: A technological breakthrough in roofing.

Compare the shadowing and texture choices we offer in the Duration™ Series shingle line. Whichever *Duration* shingle option you select for your home, you'll rest easy knowing that your new shingles come with our SureNail® Technology built right in. This product breakthrough offers you:

### Supersealing Action

Our Tru-Bond® sealant grips tightly to the nailing strip on the shingle below for greater bonding strength. *Duration* Premium shingles with *SureNail* Technology are rated for 130-MPH winds, and *Duration* shingles with *SureNail* Technology are rated for up to 110-MPH winds.

### SureNail® Wider Nailing Area

New, wider nailing area allows for an improved and consistent installation.

### Extra Adhesive Power

Specially formulated, extra-wide adhesive bands help keep shingle layers laminated together in virtually all weather conditions.
